## 母親的成功之道

2A 伍梓均(綠社)

我的母親是一名平凡的農家婦女，她不像武則天那樣權傾朝野；也沒有西施沈魚落雁、閉月羞花的美貌；更沒有居里夫人那造福世界的貢獻；但母親的成功，是在渺小裡有偉大，在平凡裡有雄奇。

聽母親說，她童年的時候很悲慘，外婆生了六個孩子，而母親卻不幸地排行第一，於是，「面朝黃土背朝天」的農活就自然而然的落在母親的肩上。即使母親的命運如此坎坷，但她從不怨天尤人，而是踏踏實實地走好生活的每一步。

雖然母親唸書不多，但她一生中最光榮的事就是含辛茹苦地把我們姐弟倆養大。

姐姐剛出生的時候，是母親一生中最苦的時候。她剛生完姐姐，身體仍然虛弱，可是奶奶對這個突如其來的孫女並不感到高興。受盡奶奶的指責後，母親毅然帶着只有三個月大的姐姐回娘家居住。終於在兩年後，母親生下了我，她才被奶奶接回去家裡住。可是，好景不長，在我一歲的時候，父親就面臨失業的問題，於是，母親在我一歲的時候，就要外出工作。但是，接踵而來的仍是不幸，在我五歲的時候，父親就在一場交通意外中去世了。面對這一切一切的噩耗，母親都勇敢面對，她不但沒有半點怨恨，反而化悲憤為力量，辛辛苦苦的把我們姐弟倆養成人。到後來我才知道，原來她以往終日以淚洗面，身心疲累，以及兩鬢日漸變成銀白的原由。

母親，您是成功的！您的知足常樂、您的踏實、您的無私奉獻，是我力量的泉源，是我駛向成功彼岸的一盞明燈。

**評語：憑藉勇敢堅毅，面對人生逆境，是母親的成功之道。  
事例具體，有感染力！**

## Should cell phones be allowed in school?

There has been a lot of discussion about whether cell phones should be allowed in school? In my opinion, I don't think students should bring their cell phones to school.

School is a place to study, if students have something urgent for which they need to use the telephone, they can go to the school office to use the telephone. Moreover, there are many public telephone booths on the street; it just takes a dollar to use the telephone.

If students bring their cell phones to the school, it is very easy for them to lose them. If this happens, it takes a lot of time for teachers and students to look for the cell phones. Besides, it also wastes their parent's money.

Bringing cell phones to the school not only affects students' study, but also creates the possibility for some greedy classmates to steal cell phones.

Once students are allowed to bring their cell phones to the school, and they forget to turn them off, the phone may ring during the lesson, which affects the learning environment of the whole class.

In conclusion, I don't think students should bring their cell phones to school because bringing cell phones to the school affects students' academic results.

**Comment : A nice piece of prose.**

## Will the Internet signal the end of newspapers?

4D Gary Chan Ka Kuen (yellow House)

We no longer have to rely on traditional methods of reporting such as the print newspapers to get to know what happens around us in recent years, the newspaper industry has suffered a decline in readership and circulation, and many people believe that the days of newspapers are numbered as people increasingly turn to the Internet for their instantaneous news. Will the Internet signal the end of newspapers - I believe that it will.

One major disadvantage with the print newspapers is that news will only be reported on the next day. This means that the readers are always getting stories a day behind the occurrence of the incidents unlike newspaper readers who are given yesterday's news. Information is around the clock on the web and everyone prefers to read constant updated news.

Another reason why the Internet is slowly replacing print newspapers is that we have to pay for the print newspapers but news on the Internet is free to access. With fewer readers, the cost of the newspapers is likely to rise. Compared to the online edition, newspapers are not environmentally friendly. A large number of trees are cut to produce newspapers every day and they are disposed after use. Therefore, reading online news can save on trees.

The Internet is convenient, it brings news and information to places across the world. While not everyone owns a computer at home and there are people who do not know how to use the computer, the situation will change with technological advancement. More people will use the Internet to access news.

It is for these reasons that I believe that the Internet will supersede newspapers in the future.

**Comment: He is able to put forward his arguments convincingly to the readers.**

## 記一次被讚賞的經歷

我還記得讀小學四年級那年，我非常認真讀書。我在考試中更考獲全級前四名，父母很高興，也覺得很安慰，但事件卻不是這樣順利的。

為甚麼我特別要寫這件事呢？說來話長，就連我自己也分不清那是好事還是壞事。當年的學期初，我很頑皮，就連老師對我也「睜一隻眼，閉一隻眼」。快要考試的時候，我沒有認真溫習，只顧看電視。到了考試當天，我才「臨急抱佛腳」地讀書溫習。結果可想而知，我當然很多科都不合格。

派發考試卷當日，爸爸與我一起前往學校裏會見老師。見完老師後，爸爸的表情突然間變得又紅又漲，我從他的表情中，看得出他非常生氣。在回家的途中，我一直低著頭跟著爸爸走，他沒理會我，我覺得和爸爸的距離好像遠了。

回家後，爸爸仍是默默無言，我感到我們的距離再次拉遠了。爸爸沒有罵我，也沒有懲罰我，但對我非常冷淡。自此以後，我改變了，我日夜努力溫習，下學期的成績突飛猛進，而爸爸對我的冷淡態度已完全改變過來，我們的距離也拉近了很多。

**評語：善用成語，令文章更有吸引力。也懂得利用父親對「我」不同的態度來反映「我」的成績。文章描寫「我」跟爸爸步行回家那一段刻劃入微，甚佳！**

## 補鞋老人

4A 王浩延（紅社）

每當看到那雙經修補後煥然一新的舊皮鞋時，鞋面上那密密麻麻的針步，令我不由自主地想起他——一位可親可敬的補鞋老人。

那是一個寒冬臘月的下午，已經五時許了，北風依舊呼呼地吹，人們都穿起大衣急忙地往家裏走。我背著書包，拖著前面裂著大口的皮鞋，一步步地走回家。風吹入我的皮鞋破口裏，冷得我直打哆嗦。我想：「皮鞋破了，只有讓媽媽買對新的。」回到家後，便嚷著媽媽買對新鞋。媽媽說：「好吧！」說畢，就拉著我去買鞋去。

到了街上，我看見一位補鞋的老爺爺，便對媽媽說：「媽媽我不買鞋了，只要把破口的位補好，還可以穿。」我上前去問：「老爺爺你還補不補鞋啊？」老人望了望寒風怒吼的天空，猶豫了一下，說道：「好吧！」老爺爺隨即拿起我的鞋補了起來。我仔細端詳著這位老爺爺，他花白的頭髮，古銅色的臉，一雙混濁的眼睛，額頭上刻著幾道深深的皺紋。他艱難地一針針縫著，天氣實在太冷了，老爺爺的指頭彷彿也不受控制，但他仍是細心地補著，補了好半天，終於補完了。

他把鞋遞給我，我接過鞋時，觸到老爺爺冰冷的手指，可是他冷紫的臉上還露著慈祥的笑容。我問：「老爺爺多少錢？」他說：「三十元。」我連忙從口袋裏掏出三十元錢交給了老爺爺，心裏存有說不出的謝意。

我穿著補好的鞋往家走去，走了幾步，回頭望了望，只見善良樸實的老人正頂著刺骨的寒風，在暮色中收拾補鞋箱。我忽然覺得一股暖流從腳底迅速傳遍全身，直達我的心頭……

**評語：文章結構佈局完整，描述利落，並能輔以抒情成份，效果相當不俗！**

## 我的哥哥不太冷

4A 林佩婷（黃社）

我，有一位冷淡的哥哥。

他從不跟我說話，經常獨來獨往，總是掛著一副「不要打擾我」的表情，整天留在家裡玩著電腦。不會幽默，不會理人，有點「自閉」的哥哥，我覺得可有可無。毫無幽默感的他卻最喜歡觀看台灣製作的搞笑節目，跟他簡直相映成趣。

看著別人的哥哥無微不至地照顧著自己的妹妹，令我羨慕不已。他們會照顧人，會教功課，可以依賴，可以撒嬌。一位既溫柔又細心的哥哥是我一直所憧憬的。回想我的哥哥，就覺得我的憧憬遙不可及，再多的幻想也只會白費心機。

每一次想到這個「不中用」的哥哥，整個人就非常洩氣；可是有一次，我知錯了！

去年的八月，我的左耳嚴重發炎，每刻都把我折磨得嚎啕大哭。有一晚，那隻發炎得非常厲害、恐怖的左耳每秒鐘都為我帶來劇痛。哥哥陪伴我到醫院急症室輪候，一等就等了四小時，哥哥罕有地安慰正在發抖的我，叫我要支撐著。直至深夜，哥哥待我做完手術，辦妥入院手續後才離開。

人生第一次入院，心裡忐忑不安。到了翌日的探病時間，哥哥竟然出現眼前！他帶了日用品、消閒刊物、零食給我，還慰問我，這刻我非常感動！之後的十天，他都有來探望我，帶來所需品給我，即使他生病了，他仍會來。

到了出院那一天，他來幫我收拾行李回家。連日來多虧有哥哥的陪伴，使我心中的恐懼逐漸減輕。雖然他和我不多說話，但我有朋友來探訪時他仍不會離開，說要再坐一會兒，這已遠勝一切。我想這種種的關心比我所憧憬的更為重要、珍貴。這難能可貴的「親情」正是我心中的陽光。

我有一位哥哥，外冷內熱的，難以觸摸，亦是獨一無二的。

**評語：文章結構完整充實，描寫細緻感人！**

## Stay in Hong Kong

6A Erica Lam (Green House)

Do you love traveling to other countries during long holidays? If you do, I suggest you stay in Hong Kong during the next holiday. Why do I say that? I will tell you in the following paragraphs.

In Hong Kong, you can see the coexistence of the eastern and western cultures. We do not need to travel to other countries but still can enjoy delicacies from all around the world. Because of a wide variety of delicious cuisines from different countries, Hong Kong is regarded as a "gourmet place". Also, shopping in Hong Kong is cheap as the tariff is lower when compared with many countries. The quality of products sold in Hong Kong is great but the price is lower, so Hong Kong is also regarded as a "shopping paradise". The aim for people traveling to other countries is mainly shopping and enjoying that country's delicacies. Now we can enjoy different countries' food and go shopping at a lower price in Hong Kong. So why do we need to spend so much money to do the same things in other countries?

The other benefit for staying in Hong Kong during the holidays is that Hong Kong is safe. As she is located far away from the plate boundaries, so it doesn't have any tectonic hazards. Many countries along the plate boundaries, like Japan, the Philippines and so on, are prone to earthquakes and volcanicity every year. So, for your safety, I suggest you stay in Hong Kong during the holidays.

Last but not least, staying in Hong Kong during the holidays requires less effort from you. Before traveling to other countries, we need to prepare many things, like finding information about that country. If we join a travel agency trip, we cannot visit the places freely and stay too long anywhere. If we visit other countries by ourselves, we may face many difficulties, such as language difficulties and getting lost. There are so many things we need to do and may be concerned about before we travel. So, if you want to have a relaxing holiday I suggest you stay in Hong Kong.

In conclusion, if we stay in Hong Kong during the holidays, we can save money and time, it is safer and requires less effort. We also can have an enjoyable and relaxing holiday. Now, have I changed your mind to stay in Hong Kong in your next holiday?

**Comment : No, you have not but you have shown me that you can write very well.**
