《那天，我哭了！》 1B 李昀津（綠社）

對不起，我錯了，我再也不會這樣對待你了。

每天放學回家後，爺爺都會問我在學校裏發生了甚麼事，而我通常以不理不睬的樣子瞪著他，便回去房間玩電腦，一直到深夜。我的爸爸媽媽都是工作狂，他們每天都工作到深夜才回家。

一如既往的某一天，我放學回家後便馬上回房間玩電腦，耳內忽然傳來一聲「啊」，我立即打開房門衝出去看個究竟，原來是爺爺從椅子上跌下來，我又以一臉不滿的樣子向他破口大罵：「你在幹甚麼？」之後我便一手把門關起來，屋內傳來「呼」的一聲。唉，那時我真是太對不起爺爺了，一直以來我都覺得他笨手笨腳的，動作十分令人煩躁，但現在……對不起，爺爺。

時間過得很快，不久便到了爺爺離去的前一天。那一天，爸爸因為假期而不用上班，所以家裡人有好幾個人。因為我還未吃早餐，所以爸爸替我煮了早餐。爸爸煮好早餐後，笨手笨腳的爺爺拿早餐給我，我卻不領情，一手把早餐撥開，之後便回房間睡覺。

後來，終於到了爺爺離去的那一天……那天，我從床上像條蟲一樣爬起來，原本朦朦朧朧的視線慢慢變得清晰起來。我打開房門後，發現客廳內空無一人，我覺得很奇怪，那個笨手笨腳的老頭子到哪兒去了？「嘟——嘟——嘟——」，一陣陣電話響的聲音傳入我的耳內，我拿起話筒一聽，沒想到在電話裡傳來的竟然是爺爺的死訊！那一刻，我的心快碎了，簡直不能用言語來形容，而我小時候和爺爺一起玩耍的回憶全部也浮現在我的腦海上……而我的眼淚也就簌簌地落下了。

評語：文中描述了許多「我」跟爺爺相處的片段，從而塑造出爺爺笨手笨腳的形象及帶出「我」對爺爺嫌棄的感覺，直至「我」得悉爺爺的死訊時，馬上禁不住悲動大哭，表現出「我」後悔莫及的心情。本文敘事清晰，對「我」的內心感受有頗深刻的描述，也透露出後輩不應對長輩呼來喚去、高聲叱喝，頗具深意。

《中一派位眾生相》 1A 黃思進 (藍社)

今天是很重要的日子，因為今天是升中派位結果公佈的一天。這一天，就連那些平日喜歡吵鬧的同學都乖乖地坐在椅子上，等候老師把升中派位結果交到他們的手上，我當然也不例外。

當我看見他們拿到派位結果的表情時，我感到很意外，一些成績很好的同學都變得愁眉苦臉。我是最後一個拿派位結果的，所以當我看見同學失望的神情時，我開始擔心自己的派位結果。

經過一番掙扎後，我終於平復了緊張的心情。正在此時，我發現我的好朋友也獲派了李炳中學，他的樣子毫不擔心，我問他：「你不擔心嗎？」他說：「不！其實沒有甚麼不好，學校就在附近，不用搭車上學。」就是這番話，令我希望自己也希望就讀這間學校，最後我真的如願以償。

派位當天，有人歡喜有人愁，但我也明白到，凡事只要往好的方向想，逆境也能變成順境。

評語：寫出同學這天的表現判若兩人，而你也受到感染，開始擔心起來。這篇中一派位眾生相的文章，有同學的不同反應、有你的感受，構成一幅完整的圖畫。

《校園生活二三事》 1C 雷舒舒 (藍社)

俗話說得好，「光陰似箭，日月如梭」，不知不覺間中學生活已經開始了七個月，這幾個月的中學生活發生了幾件令我很難忘的事……

在學校裏發生了許多新鮮事，當中包含了甜酸苦辣。第一件事是十一月舉行的運動會，在運動會前夕，各社的社長都會召集社員製作具自己社特色的紀念品和設計一些霸氣的口號，為的是在運動會當天為健兒加油打氣。到了當天清晨，各社都十分忙碌，所有社幹事又要教社員喊口號，又要安排社員的座位……當然老師們也少不了忙碌的份兒。在這兩天的運動會中，我感到很高興，一是因為可以看到激烈的比賽，二是中午午膳可以和其他年級一樣出外吃午餐。

第二件事是人人期待已久的學校旅行，這次中一級去的旅行地點是大美督郊野公園。在一個星期前我們班就開始組隊，計劃要買甚麼食物、每人應該湊多少錢……大家都很期待，希望旅行快點來臨。到了旅行那一天，同學們一早拿着大包小包的食物到學校準備出發。時間到了，老師交代好一些應該注意的安全事項後，我們就一班接一班地坐上了旅遊車。到達目的地後，我們就開始進行「大食會」，幾個小時的燒烤，令同學之間除了能互相了解，也變得更團結。吃完東西後，我們一起玩「真心話大冒險」來打發剩下的時間，快樂的時光就這樣匆匆地過去了。

在李炳這個大家庭生活，實在是一件很歡樂的事。

評語：行文流暢，用詞恰當，以事件表達出同學間情感進展。

Saving Our Earth 2E Chan Chi Kong (blue House)

There are many problems facing our Earth. The main problems are global warming and water pollution.

These problems are made by what people usually do. For example, factories and cars emit harmful gases such as carbon dioxide and methane. These gases keep unwanted pollutants in the air which threaten our health. Moreover, water pollution is caused by inconsiderate people dumping rubbish into the sea. For example, they dump used plastic bags, bottles, cans, domestic waste and industrial waste. These upset the marine ecosystem and poison living things in the sea. Gradually, our food chain is affected.

To save our Earth, remember to be environmentally-friendly. We need to stop creating problems because the Earth is our home. We should keep it beautiful.

Comments:

Well organized as there is an introduction, body and conclusion. Examples are given to let readers understand the problems better.

Blog about a Trip to Macau 3A Ng Mei Ho Kay (Yellow House)

A trip to Macau

Last week, my family and I had a two-day trip to Macau. It was an unforgettable trip. On the first day of our trip, we did some sightseeing. First, we went to the ruins of St Paul's, it is a famous place in Macau. Next, we visited Macau Tower. We took a lot of photos for the view of Macau. This tower is the 10th tallest tower in the world! You must see it!

For the second day of our trip, we went to Lord Stow's Bakery to try the most popular foods in Macau, such as serradura, almond cookies, peanut sweets and specially the portuguese egg tarts. All of them tasted really great! After that, we went to the beach, my family and I really enjoyed the sunbath.

The last thing that we did in Macau before we went back to Hong Kong, was to go shopping for souvenirs. I bought almond cookies and peanut sweets for my friends. During the two-day trip, we enjoyed food and the entertainment in Macau. I had a nice experience on this trip. Hope that you will have a great trip too!

Chinese New Year

1B Cheung Lai Chun Benny(Blue House)

Chinese New Year is an important festival in Hong Kong. There are many things to enjoy at this festival: turnip cake, sweets and tong yuen!

People go to flower markets during Chinese New Year. They buy peach blossoms at Victoria Park with family members. They think that flower markets are crowded and they feel excited. Some people believe peach blossoms bring them luck.

We celebrate Chinese New Year by visiting relatives and friends. During Chinese New Year, children get red packets. It is great to get extra pocket money. Red packets are the symbols of different blessings.

Many people play with fire crackers at Chinese New Year. Some families buy fire crackers in China during the festival. They think that will make children happy. Some people believe fire crackers scare away monsters.

Chinese New Year is a joyful festival you should not miss.

Comments:

Informative and interesting. A well written description of this exciting celebration.
